Program – Workforce Development and the 2013-2015 State Budget

- (1) – *Trends and Issues for Workforce Development in South Central Wisconsin, presented by Pat Schramm, Executive Director of the Workforce Development Board of South Central WI.*

Pat shared information on the economic base and commuting patterns of the South Central region. Discussion on the size and growth of industry and the unemployment numbers in July, by sector. Discussion on how current hiring practices influence future labor numbers. Report on new workforce development technologies that are helping fill projected labor shortages. DWD is using “Career Pathways Training” model and improving the access points where workers can get training. Pat described a high school / college program “Middle College” and reported on a campaign to promote mature workers to businesses.

(2) WCA Webinar on the state budget

Webinar PowerPoint presentation on:

- The relationship between the State and Counties
- Historic information on the utilization of State budget money
- Effect of State budget on local government decisions
- Relationship between State and County Government with mandated services and levy limits
- Overview and expectations on the 2013 – 2015 State budget

The PowerPoint is available on the WCA web site.
